3. Survey and Plot Plan: A survey of the land and plot plan locating the improvements thereon and identifying each condominium unit and the common elements, their relative locations and approximate dimensions, is attached hereto as Exhibit "B" and is recorded in Condominium Book 22 at pages 2 thru 2C, Public Records of Sarasota County, Florida. The locations, dimensions, descriptions, identification and numbering or lettering of the respective condominium units shall be as described in Exhibit "B" and any subsequent amendments thereto as is hereinafter provided. If construction of a building is not substantially completed as of the date of this Declaration, then upon substantial completion of such improvements this Declaration shall be amended to include a certificate of a licensed surveyor in conformity with the requirements of the Condominium Act of Florida.

4. The Unit: A unit shall consist of the space defined in Exhibit "B". In the event that the actual physical location of any unit at any time does not precisely coincide with Exhibit "B" and subsequent amendments, the actual physical locations shall control

over the locations, dimensions and descriptions contained in Exhibit "B" and subsequent amendments. In the event of a total or substantial destruction of the building, the locations, dimensions and descriptions of the respective units as contained in Exhibit "B" and subsequent amendments will control. By acceptance of a deed to any condominium unit, the respective grantees agree for themselves, their heirs, successors and assigns and the holders of any mortgages, liens or other interests in or to any unit agree that Developer shall have the right to amend this Declaration and the condominium plat as may be necessary or desirable from time to time to identify, locate and dimension any units which are not completed at the date of this Declaration. Such amendments shall be executed by the Developer and the joinder or further consent of individual unit owners or holders of recorded liens or other interests therein or thereon shall not be required. Amendments shall take effect immediately upon recordation in the Public Records of Sarasota County, Florida.

5. **Limited Common Elements:** The limited common elements, the use of which shall be limited to those unit owners to whom such use is assigned by means of the Declaration, Amendments thereto, assignments executed by the Developer, or by the Association, include:

(a) **Designated Parking Spaces.** The uncovered parking spaces shown on Exhibit "B", which are assigned by Developer as hereinafter provided, shall be Limited Common Elements appurtenant to the units to which assigned. Parking spaces shall be assigned so as to provide a parking space for each unit.

In the event a specific parking space is assigned in connection with the sale of condominium unit by the Developer, the right to use of the said designated parking space shall be an appurtenance to the condominium unit owned by the owner to whom such space is initially assigned. The Association shall not thereafter reassign or change said owner's parking space without his written consent. Provided further, said unit owner shall not transfer or assign use of the said parking space except in connection with the sale of the unit or with the consent of the Association. A conveyance of the unit shall also transfer, as an appurtenance to said unit, the designated parking space, without necessity of reference to or description of the parking space.

Designation of a parking space assigned to a unit owner may be made in the deed of conveyance, or by the condominium plat attached as Exhibit "B", or by separate written assignment, and nothing herein shall be interpreted so as to prohibit the Developer from assigning more than one parking space as an appurtenance to a condominium unit. It is expressly acknowledged that the Developer may make an additional charge or increase to the purchase price of a unit in consideration for designating one or more parking spaces as a Limited Common Element appurtenant to said unit.

During such time as the Developer shall own any units in the condominium and shall not have designated in respect of such units the required number of parking spaces, the Developer shall control and have the right in lieu of the Condominium Association to make all designations of parking. Until the Developer shall, in whole or in part, relinquish the right to designate the parking spaces or until the Developer has designated with respect to all unsold units retained by the Developer or owned by the Developer (or the Developer's successor as Developer) the required number of parking spaces, the Condominium Association shall not exercise the right and authorities herein granted to the Condominium Association in respect of parking, but all such rights shall be exclusively exercisable

by the Developer. The Developer may at any time by an instrument in writing delivered to the Condominium Association relinquish in whole or in part any of its rights herein relative to the designation of parking spaces. This provision regarding parking may not be amended without the written consent of the Developer during such periods of time as the Developer shall have any rights hereunder to designate or control the designation of parking spaces.

(b) Exterior Stairways. All exterior stairways that serve second floor condominium units are limited common elements whether or not shown on the plat.

(c) Other Areas. All other areas designated as limited common elements on Exhibit "B".

6. The Condominium Association. The corporation which will be responsible for the operation of the condominium will be an incorporated association known as WOODLAND GROVE CONDOMINIUM ASSOCIATION, INC., a Florida non-profit corporation, herein referred to as the Association. All persons owning a vested present interest in the fee title to any of the condominium units, which interest is evidenced by a proper instrument duly recorded in the Public Records of Sarasota County, Florida, shall automatically be members of the Association and their respective memberships shall terminate as their vested interest in the fee title terminates. All of the affairs and property of the condominium and of the Association shall be controlled by the officers and board of directors of the Association. A copy of the Articles of Incorporation which has been filed with and certified by the Secretary of State of Florida is attached hereto and marked Exhibit "C". The Bylaws governing the operation of the condominium and of the Association are attached hereto and marked Exhibit "D". The Association shall have all of the rights and powers provided by the Condominium Act, the corporation statutes, the Articles of Incorporation, the Bylaws and this Declaration.

7. Percentage of Ownership of Common Elements and Surplus: The ownership and the undivided shares of the respective condominium units in the common elements and the common surplus shall be equal among all units. There are eighty-four (84) condominium units in this condominium. Accordingly, the undivided share in the common elements and common surplus appurtenant to each unit shall be 1/84th part.

8. Liability for Common Expenses: Each condominium unit owner shall be liable for a proportionate share of the common expenses, such share being the same as the undivided share of the common elements appurtenant to the condominium unit.

9. Use Restrictions. The use of the condominium property shall be in accordance with the following provisions so long as the condominium exists:

(a) Specific Use Restrictions. No owner, tenant or other occupant shall:

(1) Use the unit for other than single family residence purposes;

(2) Make any structural additions or alterations (except the erection or removal of non-support carrying interior partitions wholly within the unit) to any unit or to the common elements;

(7) Fail to conform to and abide by the Bylaws and the uniform rules and regulations in regard to the use of the units, the common elements and the limited common elements, which may be adopted from time to time by the board of directors, or fail to allow the board of directors or its designated agent to enter the unit at any reasonable time to determine compliance with the Condominium Act, this Declaration, or the Bylaws and regulations of the Association;

(8) Permit or suffer anything to be done or kept in his Condominium unit or in the common elements which will increase insurance rates on any unit or on the common property;

(9) Divide or subdivide a unit for purpose of sale or lease except to the owner of an adjacent unit, however a unit may be combined with an adjacent unit and occupied as one unit;

(10) Commit or permit any nuisance, immoral or illegal act in his unit or in or on the common elements;

(11) Hang any laundry, garments or other unsightly objects which are visible outside of the unit;

(12) Obstruct the common way of ingress or egress to the other units or the common elements;

(15) Allow any fire or health hazard to exist;

(16) Allow any animals to be kept in the unit other than one small cat or small dog not exceeding 15 inches at the shoulder in height, and birds and fish, provided

that in the event any become a nuisance to the other unit owners in the sole opinion of the Board of Directors, such animals shall be removed from the unit immediately; authorized pets are only allowed on the common areas when on a leash, accompanied by its owner and then only so long as the pet does not disturb the common areas;

(17) Enclose the entranceway, patio, porch or interior garden except with the written consent of the board of directors;

(18) Park other than non-commercial vehicles in any parking area or driveway except service vehicles during the time they are actually serving the unit or common elements;

(19) Lease less than an entire unit or lease an entire unit for a period of less than thirty (30) days or lease a unit more than four times in any calendar year; (during the time a unit is leased or occupied by others, the unit owner shall not have the right to use the common elements and facilities except as a guest of a unit owner or lessee); and

(20) Make use of the common elements in such a manner as to abridge the equal rights of the other unit owners to their use and enjoyment.

(b) Proviso. Provided, however, notwithstanding anything to the contrary contained herein, until Developer has closed the sale of all of the condominium units of the condominium, neither the condominium unit owners nor the Association, nor the use of the condominium property shall interfere with the sale of the condominium units. Developer may make such use of the unsold units, common elements and common areas as may facilitate such completion and sale, including, but not limited to, maintenance of a sales office, showing of the property, and the display of signs.

(c) Provided Further. Notwithstanding anything to the contrary contained herein, no change shall be made in paragraph 9(a)(19) above without prior approval by not less than seventy-five percent (75%) of the unit owners and the written consent of Developer if Developer owns a condominium unit.

10. Maintenance, Repair and Replacement. Responsibility for the maintenance, repair and replacement of common elements, common facilities, limited common elements, or units shall be as follows:

(a) By the Association. The Association shall maintain, repair and replace as part of the common expense all of the common elements, common facilities, and limited common elements as defined herein. The Association shall have the irrevocable right to have access to each unit from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of any common elements therein or accessible therefrom, and during any hours for performing such emergency repairs or procedures therein as may be necessary to prevent damage to the common elements or to another unit. If the board determines that any maintenance or repair required to be made by the Association was necessitated by the carelessness or negligence of the unit owner, his tenants or his guests, the cost of such maintenance and repair shall be assessed against the unit owner and may be collected as any other assessment provided herein.

(b) By the Unit Owners. Each unit owner shall maintain, repair and replace everything within the confines of his unit which is not part of the common elements or limited common elements as defined herein, including but not limited to:

(1) Paint, finish, covering, wallpaper and decoration of all walls, floors and ceiling;

(2) All built-in shelves, cabinets, counters, storage areas, and closets;

(3) Any refrigerators, stoves, ovens, disposals, dishwashers and other kitchen equipment, and all bathroom fixtures, equipment and apparatus, within his unit;

(4) All electrical, plumbing, telephone and television fixtures, apparatus, equipment, outlets, switches, serving only one unit;

(5) All mechanical, ventilating, heating and air conditioning equipment serving the respective units regardless of whether such equipment may be located partially or entirely outside of the boundaries of the unit;

(6) All interior doors, walls, partitions, and room dividers;

(7) All furniture, furnishings and personal property contained within a unit;

(8) Glass or screened surfaces of windows, wood louvers, exterior doors, porches, or lanais, provided that any replacement or modification of same must be approved in advance by the Association or by the Developer so long as it is managing the affairs of the Association.

11. Insurance, Destruction and Reconstruction: As agent for and in behalf of the unit owners and their respective mortgagees, the Association shall obtain and maintain fire and extended coverage insurance with a responsible insurance company upon all of the insurable improvements of the entire condominium, including the common elements and the respective units and personal property of the Association, for the full replacement or insurable value thereof. The premium for such insurance shall be paid by the Association and shall be included in the assessment for common expenses. The Association board of directors shall have full authority as agent for the insured to compromise and settle all claims against its insurance carrier and may institute legal proceedings for the collection thereof. The original policy of insurance shall be held by the Association and the institutional first mortgagees shall be furnished mortgagee endorsements covering their respective interests. Each unit owner shall be responsible for insuring his own personal property within his unit and any improvements made by him within his unit which are not covered by the Association policy.

In the event of a destruction or casualty loss to any of the improvements, all insurance proceeds payable under the Association's policies shall be collected by the Association treasurer. If said proceeds are in excess of Twenty Thousand Dollars (\$20,000.00) they shall be immediately paid over to a banking corporation having trust powers and selected by the board of directors, to be held by such bank in trust to be used for the immediate repair and reconstruction of the damaged improvements under the supervision and control of the Association board of directors. Said funds shall be disbursed upon written draw requests signed by the president or vice president of the Association as reconstruction progresses. In the event said proceeds are not sufficient to pay the cost of such reconstruction and the trustee's costs and reasonable fees, the Association shall supply sufficient additional funds as a part of the common expenses of the Association, by means of a special assessment. The Association's insurance carrier shall not have a right of subrogation against a unit

owner, but if it is determined by the board of directors that the damage was proximately caused by the negligence of a unit owner, such unit owner may be assessed a sum sufficient to reimburse the Association for any deficiency in insurance proceeds and the Association shall have a lien for such amount, plus interest at the rate of fifteen percent (15%) per annum from the date of such assessment, and reasonable attorneys' fees, to the same extent that it has a lien for any unpaid assessments under the Condominium Act. Any surplus of insurance proceeds shall be returned to the Association and added to the common surplus. In the event such proceeds are less than Twenty Thousand Dollars (\$20,000.00), they need not be placed in trust but shall be held by the treasurer and applied directly by the board of directors for the above purposes.

In the event of a total or substantial destruction of all of the condominium improvements, the improvements shall be restored as above provided unless the owners of two-thirds (2/3) of the voting rights of the units in this condominium vote to terminate this condominium. In the event the condominium is to be terminated, then all owners of units will immediately convey all their right, title and interest to their respective units to the bank trustee selected by the board of directors, to be held by such trustee in trust. The recording of each such conveyance to trustee in the Public Records of Sarasota County will have the immediate effect of releasing all liens upon the respective units and shall cause their instantaneous transfer to that unit owner's share of the common surplus to be subsequently distributed by trustee as provided herein. Said trustee shall collect all insurance proceeds payable as a result of such destruction, shall collect all assets of the Association which are allocable to the units in this condominium and which may remain after the Association pays its liabilities, and shall effect a public or private sale of the condominium property, by whatever means the Association board of directors shall deem best, for the highest and best price, for cash or terms, as soon as practicable consistent with local real estate market conditions. After conveyance of title to the purchaser free and clear of all liens and encumbrances and after payment of reasonable trustee's fees, appraiser's fees, and other costs reasonably incurred, the trustee shall apportion the remaining funds in its hands among the units according to the percentages of ownership of the common elements and sharing the common surplus as herein set forth. The Trustee shall distribute each unit's share of said funds jointly to the record title owners of each unit and the record owners of any mortgages or other liens encumbering such unit at the time of the recording of its conveyance to the trustee by the unit owner. All mortgages and other liens upon the respective units shall be fully released and discharged as provided herein even though the share of a particular unit in said funds is insufficient to pay all liens in full; in such event the lienholders who had priority against the title to the unit shall have priority of payment of the unit's share of the common surplus. Nothing herein contained shall affect the priority of any construction mortgage of record as of the date of filing this Declaration or in any way relieve the unit owner of his personal liability for any deficiency which may remain upon any liens which encumbered his unit at the time of his conveyance to the trustee. Mortgagees and other lienholders will evidence their acceptance and consent to the foregoing provisions by the acceptance of their mortgage or perfection of their liens.

**12. Liability Insurance:** The Association shall obtain and maintain public liability insurance covering all of the common elements and common facilities and insuring the Association and the unit owners as their interests may appear in such amount as the board of directors may deem appropriate. The premiums for such insurance coverage shall be a part of the common expenses. The board of directors shall have authority to compromise and settle all claims against the Association or upon insurance policies held by the Association. Should a claim against the Association result

in a judgment in excess of insurance coverage, the board of directors may, to the extent required by the Condominium Act as amended, levy a special assessment against the unit owners in such amount as the board may deem appropriate to cover such excess liability, but in such event each unit owner shall be liable only for his pro rata share of such excess liability in the same percentage as his interest in the common elements and share of common expenses. Each unit owner will be responsible for procuring and maintaining public liability insurance covering losses which may occur in and about his particular unit, as he may deem appropriate.

13. Maintenance of Community Interests. In order to maintain a community of congenial residents who are financially responsible and thus protect the value of the condominium units, the transfer of condominium units by any owner other than the Developer shall be subject to the provisions hereinafter set forth as long as the condominium exists.

It shall be necessary for the Board of Directors of the Association, or its duly authorized officers, agent or committee, to approve in writing all sales, transfers of title, leases or occupation, of a unit before such sale, transfer, lease or occupation shall be valid and effective. Written application for such approval shall contain such information as may be required by application forms promulgated by the Board and shall be accompanied by a transfer fee as required by regulation of the Board. When considering such application, consideration shall be given to good moral character, social compatibility, personal habits, and financial responsibility of the proposed purchaser, transferee, lessee or occupant. A waiver of this provision or the failure to enforce it in any particular instance shall not constitute a waiver or estop the Association from enforcing this provision in any other instance. A lessee shall not assign his lease or sublet his condominium unit without the prior written approval of the board of directors or its duly authorized officers or committee.

In the event a lease, sublease, or occupation of a unit is disapproved, the unit shall not be leased, subleased or so occupied. In the event a sale or transfer is disapproved or no action is taken by the Board or its duly authorized officers, agent or committee within fifteen (15) days after receipt of said application, and the unit owner intends to close in spite of such disapproval or inaction, the unit owner shall give the Board an additional thirty (30) days written notice of such intent prior to closing. In such event, the Association or any other unit owner shall have a right of first refusal to purchase said unit for the identical price, terms and conditions, which right shall be exercised in writing delivered to the proposed seller or mailed to his address as shown on the Association records. In the event the Association is of the opinion that the price is not a bona fide sales price, then the sales price for purposes of the right of first refusal shall be the fair market value of the unit determined by the average of the values assigned by the written appraisals of three recognized real estate appraisers, one of whom shall be selected by the Association, one by the proposed seller and the third by the first two appraisers. The cost of such appraisals shall be divided between the Association and the proposed seller. If such right of first refusal is exercised by more than one, priority shall be given to the one who delivers in person or has his acceptance postmarked first. If no one exercises his right of first refusal by delivering or mailing his acceptance prior to three (3) days before the proposed closing date or within ten (10) days after the sales price is determined by appraisal, whichever is later, the transfer may be closed pursuant to the price and terms stated in the notice. Failure of a transferor to comply with these provisions for sale or transfer shall give the Association or any other unit owner a right to redeem the unit involved from the transferee at any time before the closing of such transfer and for a period of six (6) months after the recording of such conveyance in the Public Records of said county, or sixty (60) days after the

Board of Directors is given formal written notice of such transfer, whichever period is shorter. The only condition to the exercise of such right of redemption shall be that the transferee be reimbursed for that portion of the purchase price he has paid to that date. Immediately upon the tender of such sums the transferee shall convey all his right, title and interest to the one making the redemption. In addition to all other available remedies, the right of redemption may be enforced by suit for specific performance. In the event legal proceedings are commenced by the Association or any unit owner to enforce the provisions of this paragraph against a unit owner or transferee who fails to comply therewith, the party bringing such proceedings shall be entitled to his costs and reasonable attorneys' fees as determined by the court, including appellate proceedings, if such party prevails.

The foregoing provisions shall not be applicable to purchasers at foreclosure sales of mortgages held by savings and loan associations, banks and insurance companies, or their subsidiaries or affiliates, or to conveyances or leases to or from such institutional first mortgagees or the Developer.

No condominium unit owner may mortgage his condominium unit nor any interest in it without approval of the Association except to a bank, life insurance company or a savings and loan association, or to a seller to secure a portion or all of the purchase price. The approval of any other mortgage may be upon conditions determined by the Association or may be arbitrarily withheld.

14. Assessments and Liens. The board of directors of the Association shall approve the annual budgets or projected anticipated income and estimated expenses for each fiscal year, and each unit owner will be responsible for his unit's share of such annual assessment based upon its proportionate share of the common expenses as provided herein. One-fourth (1/4) of each unit's annual assessment shall be due and payable in advance to the Association on the first day of the first, fourth, seventh and tenth months of each fiscal year. In addition, the board of directors shall have the power to levy special assessments against the unit owners in proportion to each unit's share of the common expenses, if necessary to cover unanticipated expenditures which may be incurred during the fiscal year. Any assessments which are not paid when due shall bear interest from the due date until paid at the highest rate of interest permitted by law and shall be subject to such late charge as may be established by uniform rules and regulations of the board. The Association shall have the remedies and liens provided by the Condominium Act with respect to unpaid assessments, which shall include any late charges, accrued interest and reasonable attorneys' fees incurred by the Association incident to the collection of such assessment or enforcement of such lien, including appellate proceedings, and the remaining installments of the assessment may be accelerated to maturity by giving the defaulting unit owner ten (10) days notice of intent to accelerate unless all delinquent sums are paid within that time. The board of directors may require each unit owner to maintain a minimum balance on deposit with the Association (not to exceed one-fourth (1/4) of the current annual assessment) for working capital and to cover contingent expenses from time to time.

The Developer shall be excused from the payment of the share of the common expenses and assessments relating to units it is offering for sale for a period beginning with the recording of this Declaration and ending the first day of the fourth calendar month following the month in which the closing of the purchase and sale of the first unit occurs. However, the Developer must pay the portion of common expenses incurred during that period which exceeds the amount assessed against other unit owners.

During the period from the first day of the fourth calendar month following the month in which the closing of the purchase and

sale of the first unit occurs until the date control of the Association is turned over to unit owners other than the Developer (the "Guarantee Expiration Date"), the Developer shall not be obligated to pay the share of the common expenses and assessments attributable to units it is offering for sale, provided that the regular monthly assessments for common expenses imposed on each unit owner, other than the Developer, shall not increase during such period over the amount provided in the Estimated Operating Budget delivered to such unit owner when such owner contracted to purchase the unit, and provided further that the Developer shall be obligated to pay any amount of common expenses actually incurred during such period and not produced by the assessments at the guaranteed level receivable from other unit owners.

15. Remedies for Default: In addition to the remedies provided by statute and common law and the remedies elsewhere provided herein, a default in the compliance and fulfillment of the provisions of the Condominium Act, this Declaration, Articles of Incorporation, Bylaws and the regulations and rules promulgated by the Association or its board of directors, shall entitle the Association or individual unit owners to injunctive relief or money damages or both. In any such legal or equitable action or proceeding the prevailing party shall be entitled to recover his costs and expenses, including reasonable attorneys' fees to be determined by the Court, including appellate proceedings. During the continuance of any such default, the Association by action of the board of directors may terminate any or all services rendered to the unit or the unit owner including utility services which are paid by the Association.

16. Rights of Developer: Developer hereby reserves unto itself, its successors and assigns, the right to elect the directors of the Association in accordance with the provisions of Article XII of the Articles of Incorporation attached as Exhibit "C".

It is recognized that at the date hereof, construction of all of the improvements and the units contemplated by the survey, plot plan and floor plan described in Exhibit "B" may not be completed. Developer expressly reserves every right, necessary or desirable, relative to the common elements and the condominium property generally, for the purpose of constructing and completing said improvements and units and effecting sale or lease of all of the condominium units. Developer shall have the right to maintain one or more model units to be used for display to prospective purchasers and may exhibit such signs and sale paraphernalia as may be desirable to effect such sales, and to use one or more units as an office for the exclusive use of Developer until such time as all units have been conveyed. With respect to all initial purchases from Developer, the Developer shall have the rights of the Association to approve all purchasers as provided in paragraph 13 herein.-

During such time as the Developer, its successors or assigns, is in the process of construction on any portion of the condominium property, the Developer, its successors or assigns, reserve the right to prohibit access to any portion of the common elements of the condominium property to any owners, tenants, their guests or invitees, and to utilize various portions of the common elements in connection with such construction and development. No unit owner or his guests, or invitees shall in any way interfere or hamper the Developer, its employees, successors or assigns, in connection with such construction.

17. Amendments. This Declaration may be amended at any time by affirmative vote of two-thirds (2/3) of all voting rights of all unit owners in WOODLAND GROVE, except that provisions relating to percentage of ownership and sharing of common expenses, rights of Developer, termination of the condominium and the voting rights of members may be amended only with the written consent of all persons adversely affected thereby. The Articles of Incorporation and bylaws may be amended by a simple majority vote of all voting rights of all members of the Association and to that extent this Declaration may be amended without two-thirds (2/3) vote. No amendment shall be effective unless it be in writing, executed by the president or vice president and attested by the secretary of the Association with the formalities required for a conveyance of real property in the State of Florida, and recorded in the Public Records of Sarasota County. It shall not be necessary for the individual unit owners or holders of recorded liens thereon (except institutional first mortgage holders as herein provided) to join in the execution of any amendment, and the execution of any amendment by the president or vice president and attested by the secretary of the Association as provided herein shall be prima facie evidence that the amendment was duly adopted in accordance with the requirements of this Declaration, the Articles of Incorporation and the Bylaws. Until such time as Developer shall have conveyed title to all units in WOODLAND GROVE, no amendments to the Declaration of Condominium, Articles of Incorporation, or Bylaws shall be effective without its written consent. By acceptance of a deed to a condominium unit, the grantee agrees for himself, his heirs, successors and assigns, and the holders of any mortgages, liens or other interests in or to any unit, that Developer shall have the right and irrevocable power to amend this Declaration and the exhibits recorded herewith as may be necessary or desirable from time to time prior to the conveyance of all units by Developer to (a) identify, locate and dimension any units which are not completed at the date of this Declaration; (b) to correct any errors or omissions in the Declaration or any exhibits hereto; (c) to make the documents comply with the requirements of any statutory provisions or any state or federal rules or regulations or county ordinances; or (d) to gain acceptance or approval of any institutional mortgage lender or title insurer. Such amendments shall be executed by the Developer with written consent of all institutional first mortgagees, and the joinder or further consent of individual unit owners or holders of recorded liens or other interests therein or thereon shall not be required. All amendments shall take effect immediately upon recordation in the public records of Sarasota County.

18. Rights of Institutional First Mortgagees: Notwithstanding any provisions of this Declaration, the written consent of all savings and loan associations, banks and insurance companies holding first mortgages upon any of the condominium units shall be first obtained prior to any amendments to this Declaration, or termination of the condominium, which consent shall not be unreasonably withheld. Such savings and loan associations, banks and insurance companies holding first mortgages who obtain title to a unit through mortgage foreclosure or acceptance of deed in lieu of foreclosure shall not be liable for the share of common expenses assessed to such unit prior to the acquisition of such title, unless such share is secured by a claim of lien for assessments recorded prior to the recording of the mortgage. Such mortgagee shall pay all common expenses assessed to such unit which shall come due during the period the unit is owned by the mortgagee, however.

19. Termination: The condominium property may be removed from the provisions of this Declaration at any time by a vote of three-fourths (3/4) of the voting rights of all unit owners in WOODLAND GROVE, unanimous written consent of all of the institutional first mortgage holders, and written consent of Developer until such time as Developer shall have conveyed title to all units of WOODLAND GROVE, by an instrument to that effect signed by the president or vice president and secretary of the Association with

the formalities of a deed and duly recorded in the Public Records of Sarasota County. In the event of termination, the rights of owners of mortgages or other liens and the procedure for liquidation of the condominium assets as provided herein with respect to total or substantial destruction shall apply and shall be under the supervision and control of the banking trustee selected by the board of directors of the Association.

20. Covenants for the Meadows: This condominium is subject to a Declaration of Maintenance, Covenants and Restrictions on The Commons of the Meadows, which is recorded in the Public Records of Sarasota County, Florida, at Official Records Book 1113, at Page 715 and to an amendment thereto recorded in Official Records Book 1137, Page 1968 of said Public Records. All unit owners in this condominium shall automatically be a member of the non-profit corporation known as The Meadowood Management Company, Inc., which will operate, maintain, improve and manage The Commons of the Meadows. Pursuant to said Declaration of Maintenance Covenants and Restrictions, unit owners in this condominium are liable for assessments to The Meadowood Management Company, Inc., which assessment is in addition to a unit owner's share of the annual assessments for common expenses of this condominium.

21. Easements are Expressly Provided For and Reserved as Follows:

(a) Right of Association to Create. Developer hereby reserves for and on behalf of itself and WOODLAND GROVE CONDOMINIUM ASSOCIATION, INC., perpetual easements for the installation, construction, repair, maintenance and replacement of private and public utility lines and services of all kinds under and over the surface of the condominium lands which are not occupied by buildings or other structures. All public and private utility companies rendering utility services to this condominium shall have a perpetual nonexclusive easement over, across, under and through all of the common land areas of the condominium for the purpose of construction, installation, maintenance, repair and replacement of the utilities servicing this condominium and for the purpose of reading meters in connection therewith.

The Association, on its behalf and on behalf of all unit owners (each of whom hereby appoints the Association as his attorney-in-fact for this purpose), shall have the right to grant such additional electric, gas, other utility or service or other easements, or relocate any existing easements or drainage facilities, in any portion of the condominium property, and to grant access easements or relocate any existing access easements in any portion of the condominium property, as the Association shall deem necessary or desirable for the proper operation and maintenance of the condominium property or any portion thereof, or for the general health or welfare of the unit owners, or for the purpose of carrying out any provisions of this Declaration or otherwise, provided that such easements or the relocation of existing easements will not prevent or unreasonably interfere with the reasonable use of the units for their intended purposes. The Association, on behalf of itself and all unit owners (as such owners' attorney-in-fact), shall also have the right to transfer title to utility-related equipment, facilities or material to any public utility company or governmental agency which is assuming the obligation to maintain such equipment, facilities or material. In connection with the foregoing, bills of sale may be granted for items of personal property owned or governed by the Association. Furthermore, the Association shall have the authority to take any other action, on behalf of itself and all unit owners (as such owners' attorney-in-fact), to satisfy the requirements of any public utility company or governmental agency to which any such utility-related equipment, facilities or material are to be so transferred.

O.R. 1659 PG 1136

(b) Encroachments. In the event that any unit shall encroach upon any of the common elements or upon any other unit for any reason other than the intentional or negligent act of the unit owner, or in the event any common element shall encroach upon any unit, then an easement shall exist to the extent of such an encroachment so long as the same shall exist.

(c) Traffic. An easement shall exist for pedestrian traffic over, through and across sidewalks, paths, walks and other portions of the common elements as may be from time to time intended and designated for such purpose and use; and for vehicular and pedestrian traffic over, through and across such portions of the common elements as may from time to time be paved and intended for such purposes, and such easement shall be for the use and benefit of the unit owners, Developer and all those claiming by, through or under the aforesaid; provided, however, nothing herein shall be construed to give or create in any person the right to park upon any portion of the condominium property except to the extent that space may be specifically designated and assigned for parking purposes.

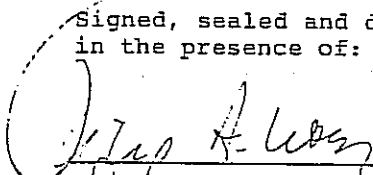

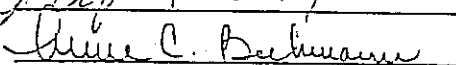

(d) Easements Reflected on Exhibit "B". Easements created and reserved by instrument recorded at Official Records Book 148, Page 1449, Public Records of Sarasota County, Florida, and reflected on Exhibit "B" attached hereto.

22. Other Association Maintenance Responsibilities. The Association shall be responsible for maintaining the grass areas (a) between the property line of the Condominium and the normal water line of the lake abutting the Condominium, and (b) between the property line of the Condominium and the paved portion of any abutting roadways.

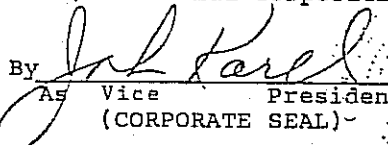

23. Severability. The invalidity in whole or in part of any covenant or restriction, or any section, sub-section, sentence, clause, phrase or word, or other provisions of this Declaration of Condominium and the Articles of Incorporation, Bylaws and rules and regulations of the Association shall not affect the validity of the remaining portions.

Experiments. The experiments are described as follows:

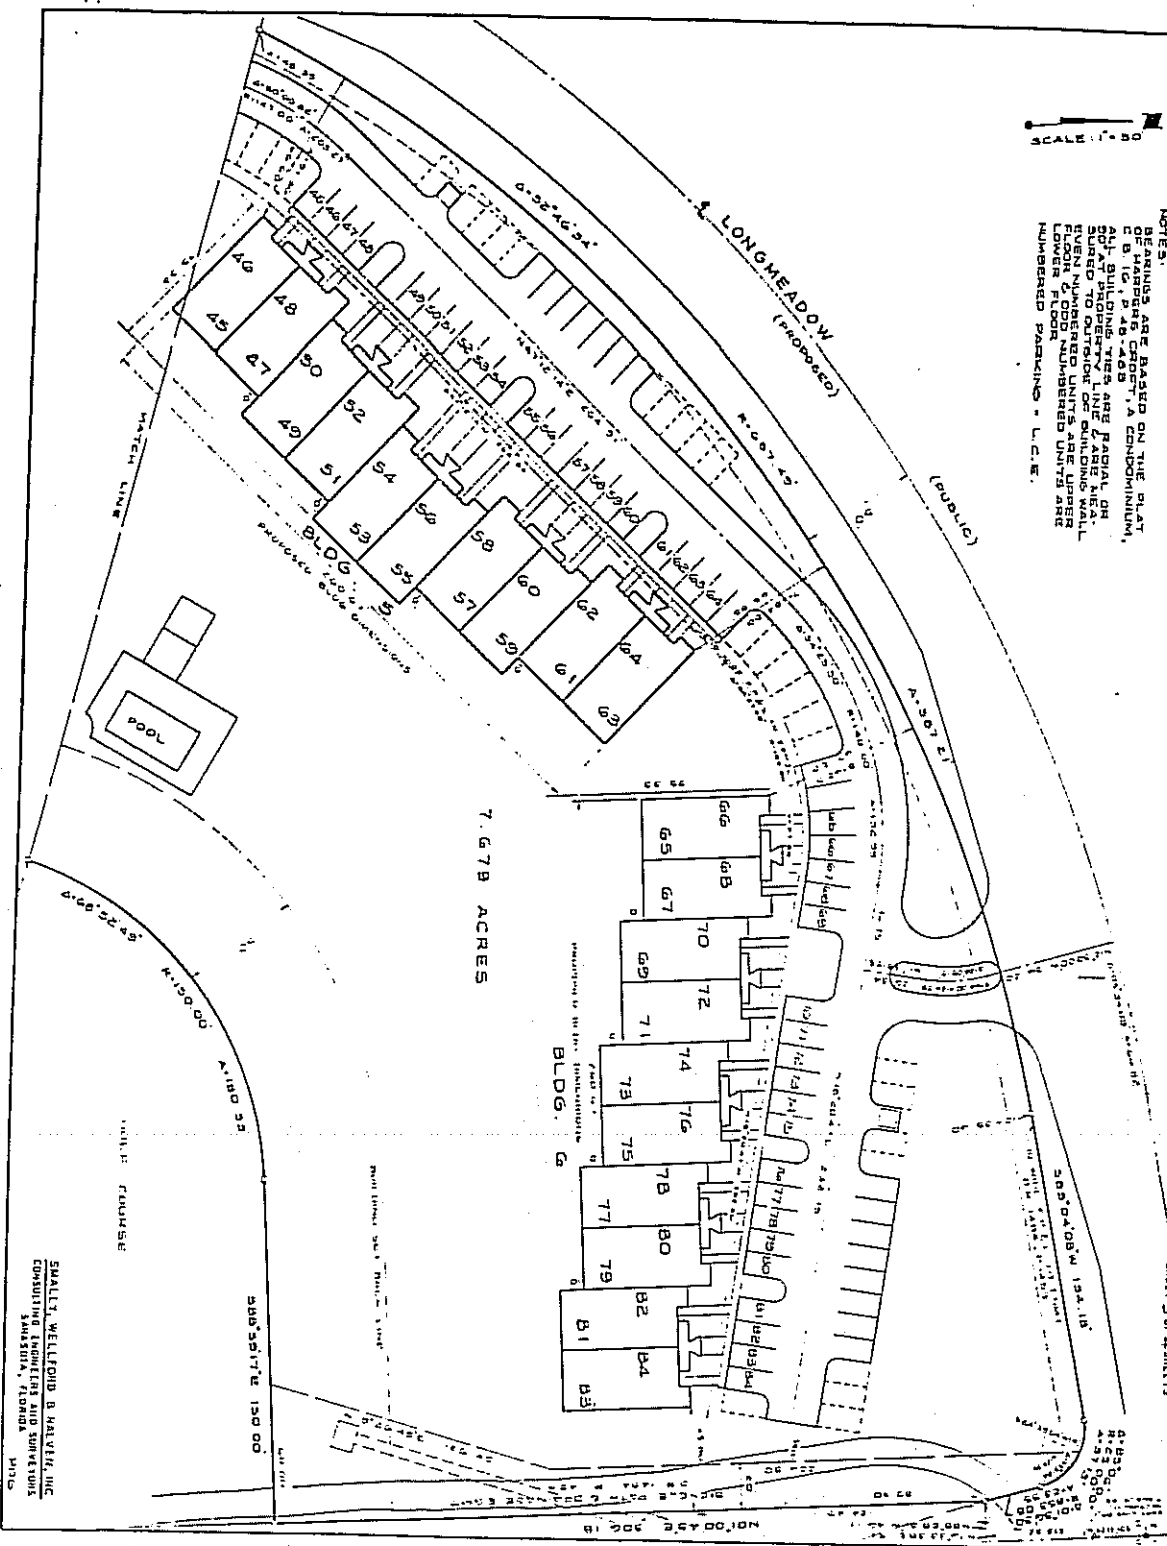

Experiment 1. In the first experiment, a group of 18 persons (12 males and 6 females) took part in the experimental task. It lasted 90 min. During this time, the participants were asked to perform the task described in the introduction. The participants were divided into two groups of 9 persons each. The first group was asked to perform the task in the first condition, and the second group was asked to perform the task in the second condition. The results of the experiments are shown in Table 1. The results show that the participants in the first condition performed the task significantly faster than the participants in the second condition. This is due to the fact that the participants in the first condition were more familiar with the task than the participants in the second condition.
