INFORMATION

General: Thank you for taking the time to complete this application. The MCA appreciates your cooperation and has worked to make the application process to be as simple and efficient as possible. **This application is required when exterior changes are made to any property in The Meadows.** The staff has been given the authority to approve some projects, mostly involving “like for like” replacements. The Restrictions Committee will review those applications not processed by the staff. Some applications, involving unusual colors, architecture, major changes in appearance or departures from the norm, will be sent by the Committee with a recommendation to the Board of Directors for consideration.

Purpose: The purpose of architectural review is to ensure that the high quality standards of The Meadows are upheld. This is promoted when your application is reviewed by qualified people whose goals and objectives are:

1. To conserve the natural beauty and character of The Meadows.
2. To preserve the appearance of The Meadows by ensuring that structures, signs, and other improvements or changes are properly related to their sites.
3. To protect and enhance The Meadows appeal, and to enhance the value of Meadows property.
4. To adhere to the covenants and restrictions applicable to the neighborhoods.

Instructions: You have received one or more sections to complete for the type of project you plan. Each one should be self-explanatory. The MCA staff will assist you by reviewing your application for completeness. Please submit single-sided only. Paper clip together (no staples).
