INFORMATION

General: Thank you for taking the time to complete this application. The MCA appreciates your cooperation and has worked to make the application process to be as simple and efficient as possible. **This application is required when exterior changes are made to any property in The Meadows.** The staff has been given the authority to approve some projects, mostly involving “like for like” replacements. The Restrictions Committee will review those applications not processed by the staff. Some applications, involving unusual colors, architecture, major changes in appearance or departures from the norm, will be sent by the Committee with a recommendation to the Board of Directors for consideration.

Purpose: The purpose of architectural review is to ensure that the high quality standards of The Meadows are upheld. This is promoted when your application is reviewed by qualified people whose goals and objectives are:

1. To conserve the natural beauty and character of The Meadows.
2. To preserve the appearance of The Meadows by ensuring that structures, signs, and other improvements or changes are properly related to their sites.
3. To protect and enhance The Meadows appeal, and to enhance the value of Meadows property.
4. To adhere to the covenants and restrictions applicable to the neighborhoods.

Instructions: You have received one or more sections to complete for the type of project you plan. Each one should be self-explanatory. The MCA staff will assist you by reviewing your application for completeness. Please submit single-sided only. Paper clip together (no staples).

APPLICATION FOR ARCHITECTURAL REVIEW

Section A - Supplement

Architectural Review – Applications for Additions, Significant Renovations and Major Modification to Houses and Property.

DATE: February 28, 2003

Two sets of complete site and building plans shall be submitted to the MCA office at least 60 days prior to expected commencement of construction.

Initial review shall include participation of the Restrictions Committee Chair or designated representative and the MCA Manager, and an interview with the applicant, and contractor, if necessary.

Documentation, including plans, drawings, and specifications should be as complete as required to describe clearly and completely the changes or additions for which approval is requested. A construction schedule, with key components and dates, shall be included.

Approval of the committee and the Board is required, except where an appeal of a committee ruling is requested.

Once the application is approved, **no** changes in the plan should be undertaken or approved without following this special procedure.

PLEASE NOTE: Approved projects must be commenced within 3 months of approval. Substantial amounts of work must be completed in each 60 day period thereafter.
