The Meadows Country Club Dining Facilities

THE REGENCY ROOM

Country Club attire is required, jackets for men are optional, but suggested. Country club casual for men means collared shirts, slacks and shoes. There may be special holidays and events, which require jackets for men. Call the club to verify the dress code for these occasions. For women, country club casual means dress pants, skirts, or a dress.

Shorts are not appropriate unless associated with a scheduled Tennis or Golf event that includes dinner in the Regency Room. Men shall not wear caps or other headwear in the main Clubhouse except for medical or religious reasons and for special events.

FOUNTAIN VIEW LOUNGE

The Fountain View Lounge is more casual than the Regency Room, but proper attire is required. Shirts without collars, shorts and golf or tennis sports attire are allowed. Nice blue denim jeans or shorts are allowed. Swimwear, cover-ups or tank-tops are not allowed.

On the Fountain View Deck, golf and tennis attire are acceptable. Men and women should refrain from wearing swimwear or tank-tops. Blue denim jeans or shorts are allowed. Men are permitted to wear hats. Men shall not wear caps or other headwear in the main clubhouse except for medical or religious reasons for the special events.
