## G. Richard Malgran, Esq

**G. Richard Malgran, Esq**  
My wife, Donna and I, moved to The Meadows just over a year ago from New Jersey. We believe we have found a wonderful paradise here in The Meadows and I would like to do whatever I can on an executive level to maintain and improve where we live.

BA, Rutgers University; Juris Doctor, University Nebraska Law School; U.S. Army 1967- 69; combat platoon leader; attorney 50+ years; history of public service elected and voluntary.

Since we have only 200 words within which to tell you, the Voter, about ourselves, I have decades of executive and volunteer experience that I would like to share with you but am not permitted to do so under this restriction. Therefore, I am happy to provide you with a copy of my resume if you would only email me: [dmalgran@earthlink.net](mailto:dmalgran@earthlink.net). I will immediately supply you with an electronic copy.

Thank you; I would appreciate your vote.

## Stanley Miska, Jr.

**Stanley Miska, Jr.**  
Being a resident of Sarasota for twenty years, Stan and his wife became very familiar with The Meadows, as his mother, sister and son all have been part of the community. When they sold their Bird Key home in 2019, they made The Meadows their permanent home. Over their forty-year marriage they have also lived in Connecticut, Rhode Island and Pennsylvania.

Stan currently serves on the MCA finance committee and is on the Board at Wallace Ave Association.

Stan graduated from American University, Washington, D.C. with a degree in Finance and Political Science. With over 30 years at Merrill Lynch/Bank of America, Stan has extensive experience in finance and leadership. His career responsibilities included managing a business with personnel, budgeting, real estate, expense management, client satisfaction and investment supervision.

The current MCA financial position is more complex than at any time in our past. Stan believes his business experience directly relates to the MCA. This can help the MCA continue improving the community and manage the current business plan with a financially responsible eye on debt, expenses and assessments.

Stan's other interests are blue water fishing, music and aviation. He is a Sarasota Yacht Club member.
