INFORMATION

GENERAL: Thank you for taking the time to complete this application. The MCA appreciates your cooperation and has worked to make the application process to be as simple and efficient as possible. **This application is required when exterior changes are made to any property in The Meadows.** The Standards Committee Chair along with the MCA Representative will review all architectural applications. Some applications, involving unusual colors, architecture or major changes in appearance will be sent to the Standards Committee for formal review. The staff has been given the authority to approve some projects, mostly involving “like for like” replacements if a committee member isn’t present. Upon review, the architectural application will either be approved or denied based on the nature of the improvement and the extent allowed according to the Meadows Community Association documents.

PURPOSE: The purpose of architectural review is to ensure that the high-quality standards of The Meadows are upheld. This is promoted when your application is reviewed by qualified people whose goals and objectives are:

1. To conserve the natural beauty and character of The Meadows.
2. To preserve the appearance of The Meadows by ensuring that structures, signs, and other improvements or changes are properly related to their sites.
3. To protect and enhance The Meadows appeal, and to enhance the value of Meadows property.
4. To adhere to the covenants and restrictions applicable to the neighborhoods.

INSTRUCTIONS: You have received one or more sections to complete for the type of project you plan. Each one should be self-explanatory. The MCA staff will assist you by reviewing your application for completeness. Please submit single-sided only. Paper clip pages together, no staples.

AGREEMENT

1. No work or commitment of work will be made by me until I have received all necessary written approval(s) from the HOA/Condominium Association and/or MCA as applicable. The Standards Committee and/or the MCA reserves the right to request additional information.
2. All work will be done at my expense and all future upkeep will remain at my expense.
3. All work will be done expeditiously once commenced and will be done in a good workman-like manner by myself and/or a licensed and insured contractor.
4. All work will be performed at a time and in a manner to minimize interference and inconvenience to other homeowners.
5. During construction of any approved modification or improvement, all portions of the property shall be kept clean, neat and in orderly condition at all times. Any debris, trash or material resulting from construction shall be promptly removed or remedied as appropriate, from the lot, unit, limited and/or common area on a daily basis.
6. Access to areas of construction is to be made exclusively through the individual owner's lot/property only.
7. I assume all liability and will be responsible for all damage and/or injury which may result from performance of this work. As well as any additional maintenance cost that may be incurred as a result of the modification, improvement, violation of the rules and regulations and/or negligence on his behalf and/or his contractors/vendors.
8. I will be responsible for the conduct of all persons, agents, contractors, and employees who are connected with this work.
9. I will be responsible for complying with, and will comply with, all applicable federal, state and local laws, codes, regulations and requirements in connection with this work, and I will obtain any necessary governmental permits and approvals for the work. I understand and agree that the MCA, its Board of Directors, its agents and/or the Standards Committee have no responsibility with respect to such compliance and that the Board of Directors and/or its designated committee's approval of this request shall not be understood as the making of any representation or warranty that the plans, specifications or work comply with any law, code, regulation or governmental requirement.

*****NOTE***:** All submitted materials shall remain the property of the MCA. It is recommended that the homeowner make and keep a copy of these records and transfer copies to the new homeowner upon sale of the property.

I hereby acknowledge that I have read and understand the **ARCHITECTURAL STANDARDS** above.
