Community News

Chris Perone -
MCA Board President

Welcome Back to The Meadows!

A warm welcome back to all our seasonal residents! We hope you had a wonderful summer and are looking forward to another great season here at The Meadows.

There has been a tremendous amount of activity while you were away, and The Meadows continues moving forward!

Our golf courses have never looked better, and our common areas are flourishing with beautiful new trees, shrubs, and plantings that continue to enhance and preserve the lush green spaces that make our community so special.

Tennis and pickleball are in full swing, and an exciting calendar of events is taking shape. From social gatherings and educational programs to entertainment and opportunities to simply sit back, relax, and enjoy, there is plenty to look forward to.

And don't forget about the many clubs and activities throughout The Meadows. There truly is something for everyone! It's a wonderful opportunity to explore a new interest, meet new friends, and reconnect with those you've missed over the summer.

If there's anything you'd like an update on, please feel free to stop by the MCA office or call to schedule a time to chat. I'm always happy to talk with residents, and if you happen to catch me on the pickleball courts, that's fine too!

We're delighted to have you back and look forward to sharing another vibrant, engaging, and enjoyable season together. There is so much to be excited about as The Meadows continues to grow and evolve, and your participation, enthusiasm, and sense of community are what make this such a special place to call home. I encourage everyone to get involved, take advantage of all that The Meadows has to offer, and help us make this one of our best seasons yet.

Welcome home!

Frances Rippcondi —
MCA General Manager

Welcome back to all our residents returning from summer travels! While you were away, the Meadows community was heating up - literally, with temperatures and heat indexes soaring into the 100s! As our A/Cs worked overtime, the MCA staff stayed busy making community improvements and planning for the upcoming season. We are in the final planning stages of upgrading the playground and we replaced older fitness equipment with brand-new strength and cardio equipment. Fresh paint has brightened the interior of the Lifestyle building, lights in the Nest have been rewired to accommodate social activities, and the clubhouse was demolished. Pathways and irrigation received repair, and preventative maintenance continued throughout the community - all while preparing an exciting lineup of seasonal activities and events.

October kicked off our fall fun with a Spooky Ice Cream Social, movie night featuring Beetlejuice (my all-time favorite!), BBQ burgers on the Centre Court Lounge deck, a Pumpkin Painting Contest, and Trunk or Treat at the MCA, where goblins showcased their costumes. We wrapped up the month with our festive Haunted Mansion Halloween Party - a great time was had by all!

As November arrives, we look forward to fall harvest flavors, warm spices, and a full calendar of activities. Highlights include our Annual Craft and Bake Sale on November 14 - 15, the Meadows Art Show on November 14, Thanksgiving tablescape presentation, a Thanksgiving meal preparation demonstration, our first Sunday Football Watch Party, and a special Veterans Celebration honoring those who have served. There's something for everyone to enjoy!

November is also a time to reflect on gratitude and support those we love, including individuals and families affected by Alzheimer's disease. On November 14 at 8:00 a.m., join your neighbors at nearby Nathan Benderson Park for the Walk to End Alzheimer's. Walking together is the perfect opportunity to connect with friends, meet new neighbors, and show support for those living with Alzheimer's, their caregivers, and their families. If you choose not to participate in the walk, you can still make a difference by donating to this important cause.

A NEW WELCOME IN THE WORKS

Exciting improvements are on the horizon for Taywood Meadows entry! Plans are underway for new entrance signage that will bring a refreshed, look to this beautiful part of The Meadows.
The proposed design will enhance the entrance with an updated appearance, adding to the neighborhood's curb appeal while reflecting the charm and character that make The Meadows so special. As one of the first things residents and visitors see when entering the neighborhood off Honore Avenue, the new signage will help create an inviting first impression and a renewed sense of community pride.

Thoughtful enhancements like these help preserve the character and charm of The Meadows while creating a welcoming atmosphere for residents and visitors alike. These efforts reflect our ongoing commitment to maintaining the appearance and appeal of the neighborhoods we call home.

We're excited to share a sneak peek of the proposed signage and look forward to seeing these plans take shape.

OUR MISSION

Our mission is to preserve the property values, green space, ambiance and vitality of our community.

OUR VISION

To be known as a well-maintained, welcoming, safe community with up-to-date housing, activities and services designed to meet the needs of all residents.

UPDATES AND ENHANCEMENTS

Meadows Financial Spotlight

Jan Lazar —
MCA Board Treasurer

Over the last several months, MCA has been working diligently to enhance and update its financial systems. We are mid-installation on the CINC software community association management system, which is also used by many of our various condo associations and provides comprehensive accounting, association member data and communications.

This will enhance our reporting capabilities and improve our system security. While MCA has not suffered any losses or had any successful attempts to process any fraudulent transactions, the need for improved security to continue to be able to prevent fraudulent actions is clear when you read the myriad published reports of hacking and other fraud. This is a major undertaking which is commanding extensive effort both to learn and install the new system and to do the parallel work to assume a seamless transition when the new system is fully up and running. When the system is fully operational, property owners will receive communication on its features and usage.

This effort occurs at the same time as the many changes that have had to be made with the assumption of various sports and programs by MCA of functions previously run by the former country club. We continue to work out the kinks in registration and payment systems for various programs because these programs are not under a centralized billing system such as the club used. I know there are still some unanswered questions about these registration and payment systems and I ask that everyone be patient with people responsible for implementing these systems.

We have begun work on the budget for next year and are looking forward to a smooth process without all the uncertainty that occurred last year. Golf is up and running under the lease with Benderson. MCA no longer has to assume responsibility for all the maintenance and capital costs that interrupted planned operations last year. Fitness is enjoying all new equipment. A wide variety of programs are being offered to the community. We are working on capital and maintenance plans that will improve the look, feel and fun in our community. We hope that everyone can see both the progress that has been made and be patient as challenges that resulted from last year's club closure are fully addressed.

SAFETY SPOTLIGHT

During September 2026, The Meadows recorded 12 incident-free days, five fewer than August. A total of 28 incidents were reported, an increase of eight, and 92 citations were issued, four more than the previous month.

Throughout the month, Safety personnel responded to incidents involving suspicious activity, vehicle burglary, disturbances, resident welfare concerns, illegal dumping, and solicitation.

Three suspicious incidents were reported, including an unsecured sliding door on Crispin Court, a residential alarm on Willow Links, and an opened package on Oakley Greene. A vehicle burglary on Huntingwood Court resulted in the theft of cash and an iPhone.

Safety also responded to three disturbances involving verbal confrontations and harassment. Personnel conducted a resident health check, assisted a resident who had fallen, and helped ensure a disoriented resident returned home safely. The Sarasota County Sheriff's Office (SCSO) and emergency medical services assisted when necessary.

Additional incidents included illegal dumping in a community pond on Waterbridge Down and solicitors encountered on three separate occasions. The Meadows Safety team continues to monitor community activity, address resident concerns, and coordinate with local authorities to help maintain a safe environment for all residents.

EMERGENCY NUMBERS

For Emergency, call 911. After calling 911 please report the incident to the MCA Safety Patrol.

The non-emergency Sarasota County Sheriff's Office: 941-316-1201

MCA Safety Patrol: 941-809-0084

SCAM OF THE MONTH

Michelle Johnston —
MCA Board Secretary and Safety Liaison

Somedays I receive about a dozen emails warning me that if I do not pay a specific bill immediately, my pictures, texts, subscriptions, or my email will be deleted from my phone. I ignore and delete those emails because they are scams. Has that happened to you? It is annoying, but I follow a simple rule: "Stay calm, ignore, and delete."

Interestingly, while I was planning this article, I was attacked by another scammer using my phone number. The call allegedly came from Truist. I ignored it because I do not have an account at Truist and let the call go to my voicemail. The caller, "Debbie," said that she was calling from Truist State University about my donation. I know about Truist Banks, but not Truist University to which I never made a donation. Consequently, I deleted it.

Also, beware of QR codes, some scammers overlay real QR codes with fake ones. Through the fake QR codes, the scammers can access our personal information and our credit cards or bank accounts. If it is hard to differentiate between an authentic QR code and a fake one, ignore the QR code and delete the email containing the QR code.

As with all scams, it is often hard to tell real from fake. Therefore, when we are in doubt, we should follow this mantra to stay calm, ignore, and delete. Often the nefarious scammers make us nervous, and when we are nervous or rushed about our responses, we make mistakes and become victims. So, staying calm is important. Additionally, when in doubt ignore, and whenever possible delete the email, text, or voicemail.

Lastly, please remember that scammers are especially busy during the holiday season.

Michael Cochran, a Meadows Resident!

Looking Back.

Welcome back to The Meadows! As our seasonal residents return and familiar faces begin to fill the community once again, there's plenty to catch up on. While you were enjoying your summer away, life in The Meadows was anything but quiet! From exciting improvements and fresh beginnings to new initiatives taking shape behind the scenes, the past several months have brought meaningful progress throughout our community.

Bringing the Community Together: Events & Activities

Events and activities have been in full swing at The Meadows! From engaging presentations and lively celebrations to ice cream socials, movie nights, seasonal festivities, and more, there's been no shortage of opportunities for residents to connect, try something new, and enjoy all our community has to offer. Even during the quieter summer months, our calendar remained full of exciting experiences, bringing neighbors together and keeping The Meadows buzzing with activity.

One exciting addition has been the introduction of monthly dining and food truck events on the Centre Court Lounge Deck! These gatherings have quickly become a community favorite, offering residents the chance to enjoy delicious food and a relaxed outdoor atmosphere right here in The Meadows. From Taco Fusion Food Truck and Gecko's End of Summer BBQ to Vesuvio Pizza and Gecko's Grill & Pub Burger Night, residents have enjoyed a variety of flavors and dining experiences throughout the season.

With cooler weather arriving and more residents returning, we're looking forward to making even greater use of this wonderful outdoor space! More dining experiences, entertainment, and community gatherings are on the horizon, so keep an eye out for what's coming to the deck next. The fun is just getting started!

A New Chapter for the Meadoword & MCA Website

Big things are happening behind the scenes for two of The Meadows' most important communication platforms! Both the Meadoword and the MCA website are preparing for exciting transformations designed to make staying informed, connected, and involved in community life easier than ever.

The Meadoword is looking ahead to a refreshed publication experience, with an updated format, design enhancements, publication schedule, and a renewed approach to sharing the stories that make The Meadows special. From community highlights to upcoming activities and neighborhood news, the goal is to create a publication residents will look forward to receiving.

Our website is also on the horizon for a much-anticipated redesign. Plans are taking shape for a more inviting, user-friendly digital experience that better reflects the beauty and character of The Meadows while making important information easier to find.

These improvements are part of a larger effort to modernize how we communicate while preserving the familiar sense of community residents have come to appreciate.

A New Era on The Meadows Fairways

One significant development this year has been the exciting transformation of the golf experience at The Meadows. Formerly known as The Meadows Country Club, the newly introduced Meadows Golf Club has entered a fresh chapter under the management of Arnold Palmer Golf Management, part of Century Golf Partners.

Since taking over operations in March, the management team has been working to restore and enhance our 2 operational courses, bringing renewed attention to playing conditions, maintenance, and the overall golf experience.

The Meadows Course welcomed golfers back in June, followed by the reopening of the Groves Course on October 1, creating a 36-hole public golf destination right here in our community.

Improvements have included extensive turf restoration, course maintenance, and updated equipment including a brand-new fleet of golf carts and beverage carts. With both courses now welcoming public play, the revitalized golf club brings fresh energy to a longstanding part of The Meadows' identity.

For returning residents, it's an exciting opportunity to rediscover the fairways and experience firsthand the changes taking place.

Moving forward

Looking Ahead at Centre Court Lounge

Located at the heart of The Meadows activity hub, the Centre Court Lounge has long served as a gathering place where residents come together to dine, enjoy live music, and socialize with friends. However, the now-closed facility continues to show its age and faces several functional and design limitations.

The kitchen's limited footprint, reliance on an outdoor freezer for food storage, inefficient traffic flow caused by the bar layout, and tile flooring that contribute to poor acoustics all affect operational efficiency and diminish the overall guest experience.

The MCA's Ad Hoc Centre Court Task Force continues to explore opportunities to reimagine the Centre Court Lounge as a vibrant community destination. Potential concepts include dining options and/or a recreational hub that complements the pool, tennis, and pickleball facilities, along with a Sportainment center featuring communal gathering area, games and interactive activities. The vision is to create a welcoming, multipurpose space that encourages social interaction, strengthens community connections, and provides residents with a place to gather, relax, and enjoy shared experiences.

As we evaluate these concepts, our focus remains on identifying solutions that best align with community interests and anticipated demand while maximizing cost efficiency and long-term value. In the near term, we are exploring the addition of a covered shade structure over a portion of the deck to provide greater comfort and expand its usability throughout the year. We will continue to keep residents informed as plans evolve and progress is made.

New Faces, Fresh Perspectives

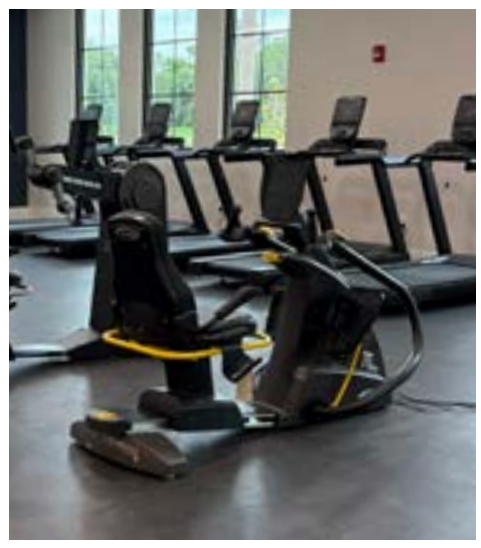

There have been some exciting additions to the MCA team over the past several months! We're delighted to welcome Suzanne Giddings, Receptionist; April Haddad, Community Support Specialist; Todd Gates, MCA General Manager; Elizabeth Marshall, Lifestyle Coordinator; and Joiner Merritt, Marketing and Communications Manager.

Each brings valuable experience, fresh perspectives, and a shared commitment to making The Meadows an exceptional place to call home and our newest team members are already making their mark!

And this is just the introduction! In upcoming issues of the Meadoword, we'll be taking a closer look at the faces behind the names, sharing their backgrounds, experiences, and a little more about what makes each of them a wonderful addition to the MCA team.

A Stronger Meadows: Fitness Center Upgrades

The Meadows Fitness Center has received a major upgrade, featuring all-new strength training and cardio machines! Now fully equipped and operational, the refreshed facility offers state-of-

the-art equipment to support a variety of fitness goals. Whether you're building strength, improving endurance, or simply staying active, the upgraded Fitness Center has something for every fitness level. These improvements reflect our continued commitment to promoting health, wellness, and active living throughout The Meadows.

Need a little guidance with the new machines? Visit the Fitness Equipment Video Library on the MCA website under the Fitness & Wellness tab. You'll find helpful instructional tutorials for equipment throughout the facility, making it easy to get comfortable and make the most of your workouts!

A Fresh Look for Our Little Residents

Some of the most meaningful community improvements begin with the places where memories are made. Among the projects receiving attention is the children's playground, an important gathering space for our youngest residents and visiting grandchildren. As The Meadows continues to look toward the future, opportunities to refresh and enhance this familiar amenity are being explored with an emphasis on fun enhancements, updated play features, and an improved outdoor experience for families.

The goal is to create a welcoming outdoor environment where children can play, explore, and spend time together while families enjoy another reason to gather in our beautiful community.

WHAT'S COOKING THIS THANKSGIVING?

A Little Something From The MCA Recipe Box To Yours.

ROASTED TURKEY

Ingredients:

- 1 whole turkey (12–14 lbs), thawed
- ½ cup unsalted butter, softened
- 2 tsp salt
- 1 tsp black pepper
- 2 tsp garlic powder
- 2 tbsp fresh rosemary, chopped
- 1 lemon, halved
- 1 onion, quartered

Instructions:

1. Preheat oven to 325°F. Remove giblets and pat turkey dry.
2. Prepare herb butter by mixing softened butter, salt, pepper, garlic powder, and rosemary.
3. Season turkey by rubbing herb butter all over and underneath the breast skin.
4. Stuff the cavity loosely with lemon halves and onion quarters.
5. Roast breast-side up in a roasting pan for approximately 3–3¼ hours, covering loosely with foil if browning too quickly.
6. Check that the thickest part of the breast, innermost thigh, and innermost wing all reach 165°F.
7. Rest for 20–30 minutes before carving and serving.

MASHED POTATOES

Ingredients:

- 3 lbs Yukon Gold potatoes
- ½ cup unsalted butter
- ¼ cup whole milk
- ½ cup sour cream
- 2 tsp salt
- ½ tsp black pepper
- 1 tsp garlic powder
- 2 tbsp fresh chives, chopped

Instructions:

1. Peel and chop potatoes into evenly sized chunks.
2. Boil potatoes in a large pot of water for 15–20 minutes, until fork-tender.
3. Drain thoroughly and return potatoes to the warm pot.
4. Mash potatoes until smooth, adding butter while still hot.
5. Stir in warmed milk, sour cream, salt, pepper, and garlic powder until creamy and fluffy.
6. Garnish with fresh chives and an extra pat of butter before serving.

PUMPKIN SOUP

Ingredients:

- 2 tablespoons olive oil
- 1 medium onion, diced
- 3 cloves garlic, minced
- 1 can (15 oz) pumpkin purée
- 3 cups vegetable broth
- 1 cup coconut milk
- ½ teaspoon ground cinnamon
- ½ teaspoon salt

Instructions:

1. Sauté: Heat olive oil in a pot. Cook onion for 5 minutes, then add garlic.
2. Combine: Stir in pumpkin, vegetable broth, cinnamon, and salt.
3. Simmer: Bring to a boil, then simmer for 15–20 minutes.
4. Add Creaminess: Stir in coconut milk and heat for 2–3 minutes.
5. Blend & Serve: Blend until smooth and serve warm.

Every Thanksgiving table has its staples: the dish someone requests weeks in advance, the side that disappears first, and the dessert everyone insists they're too full to eat. This year, the MCA is sharing three favorites that are sure to be a hit on your dinner table: herb-roasted turkey, creamy mashed potatoes, and old-fashioned pumpkin soup. Keep these cards handy as you plan your holiday menu.

The Main Event: Turkey

A simple blend of butter, rosemary, and seasonings gives roasted turkey its classic flavor without a long shopping list. Allow plenty of time for thawing: in the refrigerator, a frozen turkey needs roughly 24 hours for every four to five pounds. Roast until a food thermometer reads 165°F in the thickest breast, innermost thigh, and innermost wing. Let it rest before carving.

The Side Everyone Wants

For fluffy mashed potatoes, start with Yukon Golds and add warm milk after draining. Mash just until smooth; overworking the potatoes can make them gummy. If you're cooking ahead, reheat gently with a splash of milk to restore their creamy texture.

A Vegetarian Favorite

Pumpkin soup is a delicious vegetarian addition to your Thanksgiving table. Its creamy texture, warm spices, and rich seasonal flavor make it a comforting starter or lighter alternative to traditional holiday dishes. Prepare it the day before and refrigerate until ready to serve. For an elegant finishing touch, garnish with roasted pumpkin seeds or fresh herbs.

A Stress-Free Thanksgiving

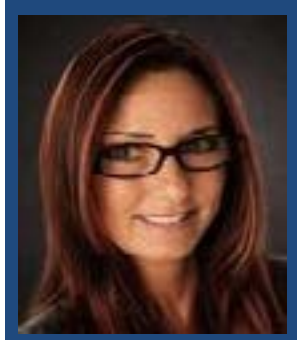

A memorable Thanksgiving meal doesn't have to mean spending the entire day in the kitchen. Prepare ingredients the night before, measure out seasonings, and organize serving dishes ahead of time. Make your pumpkin pie a day early and prepare potatoes closer to serving time. A little planning means less time watching the clock and more time enjoying the holiday.

A Holiday Game Plan

Before guests arrive, check oven temperatures and cooking times for every dish. Set serving platters out early, and use a thermometer rather than guessing when the turkey is done. Refrigerate leftovers within two hours.

Whether you're hosting a crowd or bringing one dish to share, these MCA recipes are ready for a place at your table. Find your favorites on the recipe cards and enjoy a Thanksgiving worth remembering!

Proudly joining a trusted team with over 40 years of experience in The Meadows. CURIOSITY HAS NO LIMITS

Meadows 360

Something exciting is coming to The Meadows! We're thrilled to introduce Meadows 360, a brand-new speaker program designed to spark curiosity, inspire fresh perspectives, and bring residents together!

Think of it as your very own university—no tests, no stress, just the joy of learning something new! Hear from experts, explore fascinating topics, and discover fresh ideas without leaving the community.

Our Inaugural Series: Unfixed. Unscripted. Unbound.
Sarasota is a cultural gold mine, making it the perfect inspiration for our first season! We're kicking things off with three engaging, 90-minute conversations exploring how the arts are evolving and how Sarasota is helping lead that transformation.

From January through March, we'll welcome three celebrated Sarasota arts organizations, offering a behind-the-scenes look at the creativity and innovation shaping our cultural landscape.

We're excited to introduce the incredible speakers bringing this series to life! January's UNFIXED features Virginia Shearer, Executive Director of Sarasota Art Museum, exploring a fresh approach to museum exhibitions. February's UNSCRIPTED welcomes Urbanite Theatre's Summer Wallace, Founder and Producing Artistic Director, to dive into the world of new play development, why championing new voices matters, the risks of bringing untold stories to the stage, and what it takes to keep professional theatre thriving in today's challenging landscape. March's UNBOUND features Rick Dakan, AI Coordinator, Head of Creative Technologies, exploring the intersection of art and artificial intelligence.

Residents can attend individual sessions for $5 each or the full three-part series for just $10. No experience necessary, just your curiosity! Space is limited, and advance registration will be required. Stay tuned for registration details as we prepare to launch this exciting new program!

IMPORTANT NOTICES

CALL FOR CANDIDATES

Interested in serving on the 2027 MCA Board of Directors? Three positions are available for three-year terms. Completed candidate packets must be submitted by Monday, November 16, 2026, at 4:30 PM.

SHALOM CHANUKAH PARTY

Join us Tuesday, December 8, at AVIVA Senior Living for a festive Chanukah luncheon from 12:00–2:00 PM! Check-in begins at 11:30 AM. Cost: $20 per person | RSVP by December 1. No walk-ins permitted. Make checks payable to Joni Cohen, Meadows Shalom Club, and send to Ellie Halpern at 4080 Penshurst Park Questions? Call Joni at 703-727-0808.

IT'S VOTING MONTH!

Election Day is Tuesday, November 3, 2026! Polls in Sarasota County will be open from 7:00 AM to 7:00 PM. Early voting runs through November 1. Make your voice heard and visit www.SarasotaVotes.gov for polling locations and additional voting information.

NEW OFFICE HOURS

Beginning November 2, the MCA office will operate under new hours: Monday, Wednesday & Thursday, 8:30 AM–4:30 PM; Tuesday, 8:30 AM–6:00 PM; and Friday, 8:30 AM–3:30 PM.

E-SCOOTERS & BIKES

For the safety of all residents, please remember that electric bicycles and electric scooters are prohibited in The Meadows. Thank you for helping keep our community safe!

MCA TRASH CANS

Help keep The Meadows beautiful! Trash and recycling bins must be kept clean, screened from neighboring properties, and brought in on collection day to avoid potential fines. All enclosures require Architectural approval.

THE ARTS OF Sarasota

November Is Sarasota's Creative Season. From center stage to gallery walls, discover what's happening in Sarasota this November.

As autumn settles along the Gulf Coast, Sarasota's cultural calendar picks up pace. November brings a refreshing mix of live performances, museum exhibitions, and outdoor encounters with local artists.

The Stage Comes Alive

Sarasota Opera opens the month with Hansel and Gretel, running through November 14. The familiar fairy tale becomes a full-scale operatic adventure, complete with enchanting

music and an imaginative world. **On November 7 and 8, Sarasota Youth Opera presents Rootabaga Country**, introducing young voices and wonderfully unusual storytelling. Dance lovers can look forward to Sarasota Ballet's **November 20–21** program at the Sarasota Opera House, accompanied by Sarasota Orchestra. The program includes Solitaire, Lyric Pieces, and Pictures at an Exhibition.

New Perspectives In the Galleries

Visual art offers a different kind of experience: a chance to pause, look closer, and discover something unexpected. Sarasota Art Museum opens Precession Through Glass on **November 15**, featuring glass sculptures and installations by Monica

Guggisberg and Philip Baldwin. The exhibition explores ideas about science, perception, and the mysteries of the universe. Another exhibition, Presence: The Photography Collection of Judy Glickman Lauder, invites visitors to consider the stories photographs preserve. For a memorable outing, make time to explore The Ringling's museum spaces and surrounding grounds.

Where Sand Becomes Art

Not all masterpieces hang on gallery walls! From **November 13–16**, the Siesta Key Crystal Classic transforms Siesta Beach into an extraordinary outdoor art gallery. Watch 24 internationally acclaimed sand sculptors turn ordinary sand into towering, intricate creations as they compete for top honors. Beyond the sculptures, visitors can enjoy live demonstrations, music, and local vendors. It's a Sarasota celebration where creativity meets the coastline, and the artwork is just as impressive as the setting.

Make November Your Own

The variety is what makes Sarasota's arts scene special. A whimsical opera, contemporary glass installation, graceful ballet, or handmade piece discovered outdoors can each offer a completely different experience. Choose something familiar, then try something outside your usual interests. November's busy cultural season makes it easy to rediscover a favorite venue or find a new one—and to remember that some of Sarasota's best adventures begin with curiosity.

Before heading out, confirm performance times, admission details, and availability directly with each venue or organizer.

GIVE BACK THIS GIVING SEASON

The Meadows Comes Together for the Walk to End Alzheimer's

For the millions of families affected by Alzheimer's, the impact of the disease extends far beyond memory loss. It changes everyday routines, creates new challenges for caregivers, and affects the moments and memories families hold dear. While researchers continue working toward better treatments and ultimately a cure, there are meaningful ways we can help make a difference today.

This November, The Meadows is once again participating in the 2026 Alzheimer's Association Walk to End Alzheimer's, taking place on Saturday, November 14, at 8:00 AM at Nathan Benderson Park. While the event brings people together for a morning of awareness and remembrance, its greatest purpose is the support it generates for those affected by this disease.

You Don't Have to Walk to Make a Difference

One of the most valuable ways to support Team Meadows is through a donation. Every contribution helps fund the Alzheimer's Association's ongoing efforts in research, educational resources, and care and support services for individuals and families navigating Alzheimer's and other forms of dementia.

Whether you choose to give $10, $25, $50, or an amount meaningful to you, your generosity contributes to something much larger. Donations can be made directly to Team Meadows, making it easy to participate in this important cause from wherever you are.

Join Us at the Walk

For residents interested in participating in person, Team Meadows welcomes you! Walking provides an opportunity to recognize loved ones, connect with others who share a commitment to the cause, and represent The Meadows. Registered walkers who raise $100 or more will receive the official 2026 Walk to End Alzheimer's T-shirt.

As we approach this season of gratitude and giving, consider making a contribution in honor of someone special or in support of families facing Alzheimer's today.

Your generosity can help turn today's challenges into tomorrow's possibilities.

Visit the Walk to End Alzheimer's event on the MCA website's Events Calendar to join Team Meadows or make a donation today!

NOVEMBER NEWS

Michael Blair—
General Manager,
Meadows Golf Club

What an exciting time it is at Meadows Golf Club!

Over the past several months, our team has been working hard to build something special here at Meadows Golf Club and we are incredibly proud of the progress taking place throughout the property. With each improvement, we are seeing our vision come to life, and we are excited to share it with you.

After extensive renovations and revitalization, the Groves Course has officially opened to the public, making Meadows Golf Club a 36-hole public golf destination for Sarasota and the surrounding Suncoast communities.

As we look ahead to the upcoming season, we are especially excited to welcome back our many seasonal residents and returning homeowners. We know many of you have been following the changes at Meadows from afar, and we can't wait for you to come back and see them for yourselves.

Renaissance Access Card

Meadows Community residents with a Renaissance Access Card enjoy benefits including a 20% discount on green fees and 15-day priority booking access to play both the Meadows and the Groves Course.

Stay Updated and Win

Learn all about our latest news, special offers, and events by joining our E-Club newsletter. Sign up at www.meadowsgolfclub.net and you'll be automatically entered for a chance to win a free round of golf. It's our way of saying thank you for being part of this community. Winners will be contacted by email. Your information will not be shared.

Thank you for your continued support and enthusiasm as we continue this exciting journey. Whether you are a longtime member of the Meadows community, a seasonal resident returning for the winter, or someone discovering us for the first time, we look forward to welcoming you to Meadows Golf Club.

ANNUAL CRAFT AND BAKE SALE

Saturday and Sunday November 14 and 15 from 9 AM - 2 PM

Get Ready! Mark your calendars and set your alarms! It's been a Meadows tradition for 35 years. On Saturday, people will be lined up at 9 o'clock waiting to get in. Some of them think that, next to Thanksgiving, it might be November's best event. There's something there for everyone and the proceeds are donated to local charities. It's not surprising that last year over 400 of our good neighbors came to the Lifestyle and Wellness Building to shop at the Craft and Bake Sale.

MEADOWORD SUBSCRIPTION OPTIONS

If you spend several months of the year away from The Meadows, and would like to receive a print copy of The Meadoword, consider subscribing to The Meadoword or access it on themeadowssarasota.org. Forms for subscriptions may be found on the MCA website under News & Resources/Meadoword Forms.

Annual Subscription - Begin in January and end in December of that same year. If you choose an annual subscription after January it will only include a Meadoword the next time it is published depending on when you make the payment. It may make more sense to consider a semiannual subscription depending on when you decide to subscribe. Your subscription will include Meadowords based on when you subscribed along with any special editions in June and August IF published. We do not do rolling subscriptions.

USA	$24.00
Canada	$42.00
Foreign	$75.00

Semiannual Subscription - Begin in May and end in December of that same year. You will receive issues of the full Meadoword if you make payment by April 1, otherwise you will receive your first publication the next time it is published along with any special editions in June and August IF published.

USA	$14.40
Canada	$25.20
Foreign	$45.00

MEADOWORD DEADLINES

The deadline for advertising and article insertions into The Meadoword is the first Friday, one month prior to the month of insertion.

The deadline for the November issue is Friday, October 9.
